

**Social Recruitment Covenant Launch  
6th November 2024**

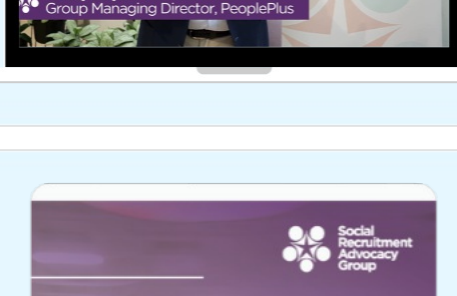

SRAG members and Covenant signatories will join [Dame Caroline Dineage DBE MP](#) at Westminster for the launch of the Social Recruitment Covenant.

In the video below, PeoplePlus Managing Director Kenny Boyle explained the need for the Covenant, and stated our ambition for at least 100 companies to have signed by Summer 2024. **They have** - and now their voices will be heard at Parliament on 6th November. If you are among these early adopters - thank you for leading the way.

New and experienced MPs, representatives from the DWP, Senior Leaders from signatory organisations and many more stakeholders will gather at this pivotal event. We really are driving the change agenda, tackling economic inactivity and taking action to balance the labour market.

**Please sign the Covenant.**
