## Environmental Objectives - 2023

Our overall environmental objective is to minimise our impact on the environment and local community through the continuous improvement of our environmental performance.

### This will be achieved by the following objectives:

- Produce and publish a PeoplePlus Carbon Reduction Plan in 2023 which outlines how we will meet our target to be net zero as a company by 2050

---

- Enhance our scope 3 reporting by completing an employee commuting survey in 2023

---

- Reduce our carbon emissions in 2023 by 13 tCO<sub>2</sub>e (tonnes of carbon dioxide emissions)
